Curriculum & Instruction / Online Textbooks and Resources

Widely recognised externally as an environment in which rigorous thinking generates creative, commercially relevant work, this course gives you the intellectual, academic and subject-specific skills you need to define your own professional practice.

BA (Hons) Product Design | UAL - arts.ac.uk

For coherence theories in general, truth requires a proper fit of elements within a whole system. Very often, though, coherence is taken to imply something more than simple logical consistency; often there is a demand that the propositions in a coherent system lend mutual inferential support to each other.
