WPI was among the first universities in the United States to incorporate project-based learning in its undergraduate curriculum, requiring students to apply their acquired skills, knowledge, and abilities to develop solutions for real-world problems.

About WPI | WPI

Homework, or a homework assignment, is a set of tasks assigned to students by their teachers to be completed outside the class. Common homework assignments may include required reading, a writing or typing project, mathematical exercises to be completed, information to be reviewed before a test, or other skills to be practiced.
