1. Teachers are required to do all that is reasonable to protect the health, safety and welfare of pupils. Their legal responsibilities derive from three sources and this section considers each of the three: the common law duty of care; the statutory duty of care; and the duty arising from the contract of employment. The Common Law Duty of Care 2. Teachers have a duty of care to pupils which ...

Section 9 then looks at some common ways in which teachers can inadvertently prevent learning from taking place. 1 What is classroom management? Your most important job as a teacher is perhaps to create the conditions in which learning can take place. The skills of creating and managing a successful class may be the key to the whole success of a course. An important part of this is to do with ...

To add a Teacher Only section group to your Class Notebook, click Enable Teacher-Only section group. Other teachers that have access to your Class Notebook will also have access to the Teacher-Only section group, but students cannot see anything here.

Getting Started with the OneNote Class Notebook: A

class teacher. It has been recognised that a teacher's duty of care to individual pupils is influenced by, for example, the subject or activity being taught, the age of the children, the available resources and the size of the class. 6. Further, it is clear from case law that the standard of care expected is the application of the ordinary skills of a competent professional, the skill and ...
