Korea Under the American Military Government, 1945-1948

American military government played a prominent role in this achievement. The study then focuses on denazification efforts. It determines that total denazification failed because, in part, the American military government pursued contradictory policies of attempting to restore political autonomy to Bavarians and at the same time pursuing

Government and the Economy since World War II Robert Higgs When the war ended in the late summer of 1945, the United States entered a new era in its economic and political history. During the preceding sixteen years, the American people had endured first twelve years of economic depression, then four years of wartime economic privation and regimentation. Those sixteen years had composed a ...

Government and the Economy since World War II

A military government is generally any government that is administrated by military forces, whether this government is legal or not under the laws of the jurisdiction at issue, and whether this government is formed by natives or by an occupying power. It is usually carried out by military workers.
