THE QURAN and MODERN SCIENCE - islamicbook

The English Bible translation of Genesis 1 has framed the discussions and disagreements over science and religion in the West throughout the modern period. Regardless of the players attitude toward God and the Bible, many assume that the Bible says that the universe was made in six consecutive solar days within one week. The problem with such an approach is that the idea cannot be found in the ...

The Bible and Science Page - asa3.org

Science and the Bible: The Bible is not a science book, yet it is scientifically accurate. We are not aware of any scientific evidence that contradicts the Bible. We have listed statements on this page that are consistent with known scientific facts. Many of them were listed in the Bible hundreds or even thousands of years before being recorded elsewhere.

Science and the Bible - Clarifying Christianity

Confusing paradox surrounds the Bible. Some look to it as the definition of reality and deny science; others

see science alone as the arbiter of truth and deny the Bible.
