An American edition of Alternative 3 is available now. It is not difficult to see why the government might want to suppress the book, if what it says is true. East/West tensions are a deliberate fraud, it says, a smokescreen thrown up to divert attention from the real danger now reportedly facing the world.

The 2015 election result was a disaster for progressives in British politics, delivering a majority Conservative government at Westminster. And the outlook for the next election is not auspicious either, particularly amid the aftershocks of the momentous 2016 EU referendum result and with possible boundary changes in the offing.
